

Summary

AI Robotics Engineer with an M.S. in Electrical Engineering, focused on ROS 2, Isaac Sim / Isaac Lab, MoveIt 2, robot learning, visual perception, and physical-robot validation. Experienced in connecting perception, policy inference, and Dockerized robotics software into practical workflows.

Focus Areas

ROS 2 robot control and physical validation	VLA robot learning and policy workflows
---	---

Experience

- AMTRAN TECHNOLOGY CO., LTD. | AI Robotics Engineer

May 2025 - Present | New Taipei, Taiwan

 - Built ROS 2 control and simulation workflows for industrial and collaborative robot platforms with Isaac Sim / Isaac Lab, MoveIt 2, and cuMotion.
 - Delivered Isaac GR00T N1.7 data conversion, model training, and policy inference across simulation and physical-robot workflows.
 - Built a ROS 2 / WebSocket training-data collection flow that automated robot-arm tasks and recording for AI and robotics data workflows.
 - Integrated visual perception, robot control, and physical-robot validation with YOLO OBB, OpenCV, AprilTag, and Dockerized robotics software.
- ISCOM | Software Engineer Intern

Feb 2022 - Jun 2022 | Kaohsiung, Taiwan

 - Participated in backend API development, frontend integration, and web feature implementation using C#, ASP.NET MVC, JavaScript, jQuery, MS SQL, and Git.

Skills

Robot Control & Validation	ROS 2, Isaac Sim / Isaac Lab, MoveIt 2, cuMotion, Visual Servoing, physical-robot validation
Physical AI & Robot Learning	Isaac GR00T N1.7, VLA, Policy Inference, Imitation Learning
Perception & Visual Inspection	YOLO OBB, OpenCV, AprilTag, RealSense, visual servoing, PatchCore anomaly detection
Robotics Software & Integration	Python, C++, FastAPI, React / TypeScript, WebSocket, Docker, Linux

Education & Honors

- M.S. in Electrical Engineering, National Taiwan Normal University | Sep 2022 - Jul 2024
- B.S. in Computer and Communication, National Pingtung University | Sep 2018 - Jun 2022
- Honors: RHCSA; FIRA Roboworld Cup First Place; National Technical Creativity Competition Third Place
